RE: **Project 45540 – Designation of Electric Providers of Last Resort for 2017 – 2018 Pursuant to 16 Tex. Admin. Code § 25.43 and Submission of LSP EFLs**

Preliminary List of POLRs and VREPs

Pursuant to 16 Tex. Admin. Code § 25.43 (TAC), by October 15th of each even-numbered year, the Commission must select retail electric providers (REPs) that will provide provider of last resort (POLR) service for a two year term beginning in January of each odd-numbered year. This selection process is provided for areas of the state in which customer choice is in effect in the service areas of the transmission and distribution utilities (TDUs): Oncor Electric Delivery Company, LLC (Oncor), CenterPoint Energy Houston, LLC (Centerpoint), Texas-New Mexico Power Company (TNMP), AEP Texas North Company (AEP North), AEP Texas Central Company (AEP Central), Sharyland Utilities, L.P. - McAllen (Sharyland – McAllen), and Sharyland Utilities, L.P. (Sharyland Utilities). Eligibility to serve as a POLR is determined according to the process described in 16 TAC 25.43 (g) - (j) that identifies REPs that are eligible to be designated to provide POLR service in designated service areas and voluntary retail electric providers (VREPs), those REPs that have volunteered to provide POLR service within a specific service area for a specific class of service.

On April 1, 2016, Order No. 1, *Establishing Procedural Schedule* was issued. Order No. 1 required REPs to file information to establish eligibility to serve as a POLR, and provided that any REP designated as a large service provider (LSP) POLR may request that an affiliate provide POLR service on behalf of the designated REP. Order No. 1 also required REPs to file, by July 29, 2016, any requests if the REP wanted to be considered for eligibility to be designated as a VREP to provide POLR service. Additionally, Order No. 1 required Staff to

file a preliminary list of REPs eligible to be designated as a POLR or VREP and a list of the REPs eligible to provide POLR service on behalf of an affiliated designated POLR to be filed by August 26, 2016.

As a result of the preliminary analysis, Staff has included the following attachments: (1) Attachment 1 identifies those companies that are eligible to be designated to provide POLR service to four specific classes of service (Residential, Small Non-Residential, Medium Non-Residential and Large Non-Residential) within the seven service territories identified above and identifies any REPs that have volunteered to be a POLR within a specific service area for a specific class of service; and (2) Attachment 2 identifies individual REPs designated as an LSP POLR that have requested that an affiliate provide POLR service on behalf of the designated REP. No REPs have volunteered to serve as POLR. These preliminary findings will be posted to the Commission's web site created for this project.

Pursuant to 16 TAC §§ 25.43(h)(3) and (i)(3), REPs may challenge their eligibility to be designated as a POLR or VREP within five business days of the notice of eligibility by submitting in this project documentation, calculations and a specific explanation that clearly illustrates and supports the REP's assertion. Staff will accept the challenges and clarifications through Friday, September 2, 2016.

After Staff has investigated any challenges, Staff will designate up to 15 REPs from the eligible list to serve as LSP POLRs for the 2017-2018 two-year term. The final list of designated LSP POLRs and final list of VREPs will be posted to the Commission's web site created for this project and filed no later than Monday, September 19, 2016. On July 7, 2016, the Commission issued an order in Project No. 43518 granting Commission Staff's request to delegate authority to Docket Management to approve the final list of REPs that are designated as POLRs in each even-numbered year.

Any questions regarding this preliminary list may be directed to Cliff Crouch at (512) 936-7296.
